Right to cancel

You have the right to cancel an order within 30 days without giving reason. The cancellation period will expire after 30 days from the day you acquire, or a third party indicated by you acquires, physical possession of the goods. This does not apply to customised items and software; memory cards and DVDs can only be returned if packaging remains sealed.

To exercise the right to cancel, you must inform us (by phone to 01603 486 413 or in writing to Customer Services Department at the address below) of your decision to cancel this contract by a clear statement. You may use the model cancellation form in the 'Returns and cancellation policy' section of our T&Cs at www.wexphotographic.com, but it is not obligatory.

You must send your communication concerning your exercise of the right to cancel and return the goods before the 30-day cancellation period has expired.

Effects of cancellation

If you cancel this order, we will reimburse all payments received, including delivery costs (except for supplementary costs arising if you chose anything other than our standard delivery). We may make a deduction from the reimbursement for loss in value of goods supplied if the loss is the result of unnecessary handling by you.

We will make reimbursement without undue delay, not later than: (a) 14 days after the day we receive any goods supplied; or (b) (if earlier) 14 days after the day you provide evidence that you have returned the goods; or (c) if there were no goods supplied, 14 days after the day we are informed about your decision to cancel this contract.

We will make the reimbursement using the same means of payment as you used for the initial transaction. We may withhold reimbursement until we have received the goods or you have supplied evidence of having sent back the goods, whichever is the earliest.

Except where the goods are faulty, you will be required to bear the direct cost of returning the goods. For items that cannot be returned by post, we will at your request use reasonable endeavours to arrange a courier to collect the goods; the estimated maximum cost of this would be £10 per item. For further details of our returns and cancellations see our T&Cs set out at www.wexphotographic.com
